
Satisfactory Performance Certificate

This is to certify that **M/s India Infrastructure, based in Ahmedabad**, was engaged in the execution of works at the **Rajkot-Kanalus' Railway Double Lining Project**, located near Jamnagar, Gujarat.

During the project, **M/s India Infrastructure** provided **two concrete pumps on a rental basis**. The quality of the equipment, as well as the management services, record-keeping, and the performance of the operating crew, were found to be satisfactory.

We appreciate their contribution to the project and acknowledge their adherence to the required standards of quality and service.

Your Sincerely
For **Zetwerk – Trenzet (JV)**
